

Dear colleague,

We are very excited to share the great news that we are organizing a joint international conference of **FIG LADM & 3D LA Workshop, FIG Commission 5 & Commission 7 Annual Meeting, UN-Habitat STDM, and Geoinformation Week 2024** from 23rd to 26th September 2024 in Kuching City, Sarawak, Malaysia together with the **Sarawak Department of Land and Survey**. The event will feature technical sessions, pre-conference tutorials, exhibitions, and technical & social visits. You are cordially invited to share your recent works and experiences with others by presenting your technical papers.

Tentatively the programme looks as below:

- Keynote presentations
- Invited presentations
- Technical papers
- Pre-conference tutorials (23rd Sept 2024)
- Social and technical visit
- GALA dinner (with cultural show)

This 5-in-1 conference encourages paper submissions in various aspects of geospatial domains especially within the scope of LADM, 3D Land Administration, FIG Commission 7 - *UN-GGIM Framework for Effective Land Administration (FELA), Fit-for-Purpose Land Administration (FFPLA), Women's Access to Land (and administration)*, FIG Commission 5 - *Standards, Quality Assurance and Calibration, 3D Reference Frames, Vertical Reference Frames, GNSS, Multi-Sensor-Systems, Cost Effective Positioning*, Land administration Education, Digitally Integrated Land Administration (tenure) and Management (land use planning), Comparative Land Administration (and the future of the Cadastral Template). The conference also covers Geomatics, Cadaster, Photogrammetry, Remote Sensing, Real Estate, Valuation Information, Spatial Planning, 3D City Modelling, Digital Twins, Geospatial Science & Artificial Intelligence (AI). Other related disciplines within geospatial domain including Mapping Sciences, Hydrography, and Oceanography are also encouraged. More information of the conference such as paper submissions, registrations, important dates, venue, etc. are available in the conference website, <https://www.geoinfo.utm.my/geoweek/>.

Looking forward to seeing you soon in Kuching City.

From,

Prof Dr. Alias Abdul Rahman, Chair Geoinformation Week

Prof Dr. Peter van Oosterom, Chair FIG LADM & 3D LA

Assoc. Prof Dr. Rohan Benett, Chair FIG Commission 7

Dr. Ryan Keenan, Chair FIG Commission 5

John Gitau, Programme Management Officer, UN-Habitat

14 March 2024
